

Cookie Policy pursuant to art. 13 of European Regulation 2016/679 (“GDPR”)

In compliance with the provisions of the law (Legislative Decree 196/2003 and GDPR 2016/679), Quousque Tandem S.r.l.s provides the following information regarding the cookies installed on the domain www.snaphistory.io.

We believe it is important to protect your privacy and be transparent on how we use your data.

WHAT ARE COOKIES?

Cookies are data that are created by a server and are stored in text files on the hard disk of the user's computer and make it possible to collect information about the user's navigation on the website. Cookies can be stored permanently on the user's computer and have a variable duration (so-called persistent cookies), but they can also disappear when the browser is closed or have a limited duration (so-called session cookies). Cookies may be set by the website you visit (so-called first party cookies) or may be set by other websites (so-called third-party cookies).

WHAT COOKIES DO WE USE?

Quousque Tandem S.r.l. employs only so-called "technical cookies" on its Site, which are defined as indispensable for the Site to function and allow you to navigate and use services and options. Without them, the Site would not be able to function as well as we would like it to and may not allow us to make it accessible or provide certain requested services or options.

Please note that to the extent that the information collected through cookies represents personal data, the provisions of the Privacy Policy which supplements this Cookie Policy apply.

No preference setting cookies are used on the Site, neither for marketing purposes nor for the benefit of "third parties".

HOW ARE COOKIES MANAGED?

You may object to the recording of cookies on your *hard disk* by configuring your browser to disable *cookies*.
